The Alaska Bird Club will keep this application on file. It is your responsibility to keep your application current and notify us of any changes to the information on this form. As birds become available for adoption, each application will be reviewed and your name and number will be given to relinquishing owners of the type species of birds you have listed. Please review the Adopt-a-Bird Policy and Procedure as there are limitations to the numbers of birds that a family may adopt through this program. An interview and/or home visit with the Adopt-a-Bird staff or the person relinquishing a bird might be required with some adoptions. The Alaska Bird Club strongly encourages you to vet check and quarantine any new bird coming into your home and that you get a release of ownership from the current bird owner. We would also like you to make this decision seriously as birds need lifetime homes. Moving, divorce, and children are all things birds can and should endure with you. We also highly recommend that you attend our educational meetings held monthly on the welfare and care of companion parrots. www.alaskabirdclub.org The Alaska Bird Club assumes no responsibility for the quality, health or training of any birds placed in this program. In addition, the Alaska Bird Club, its officers and members cannot be held liable for any damage or illness brought about by a bird placed or bought via the referrals submitted to this program.
